HANCOCK SHAKER VILLAGE OPENS FOR THE 2023 SEASON ON APRIL 15TH WITH A CELEBRATION OF BABY ANIMALS

(HANCOCK, MA – March 27, 2023) Springtime at Hancock Shaker Village heralds the arrival of new life on the farm. Experience the ritual of renewal by welcoming this year's Baby Animals. Meet our newest arrivals – lambs, piglets, calves, chicks, and kids (goats, that is) – and enjoy a wide variety of events and activities throughout the village. A family favorite for over twenty years, this celebration kicks off the 2023 season. This year's programming explores our Shaker roots across the farm and in the Village, their commitment to the perfection of form and function in daily life, the global reach of iconic Shaker designs, and the artists they inspire today.

"Don't miss our 21st annual Baby Animals Festival!" says Director Nathaniel Silver. "Nowhere else can you cuddle an adorable piglet, learn more about the life on the farm, and discover the fascinating contributions that the Shakers made to society". From special tours of the farm to wood-working workshops in the recently refurbished Tannery, from our weekly **Goat Yoga** to an exclusive dinner and talk with award-winning author **Ilyon Woo**, we've got something for everyone."

Baby Animals returns for its 21st season, opening Saturday April 15th (through May 7th). Enjoy daily talks from our farm team and explore the Village. Our exclusive **Behind the Scenes Tours** return this year too. Starting at 10am, before the village opens, they provide a hands-on experience with the animals and a wagon hayride tour of the Village (special tickets required; book online soon as they sell out quickly). And if you enjoy a day out on the farm, then you'll love to see our flock get tidied up on **Sheep Shearing Weekend**, April 22nd and 23rd.

Join us this year and experience all we have to offer. Thanks to a magnificent renovation, **The Tannery** – the heart and soul of our craftsmen – looks better than ever. Inside, we feature drawings by Danish cabinet maker **Ejner Handberg**, who settled in the Berkshires, visited Hancock, and recorded local Shaker masterpieces for prosperity. Published as a how-to manual for craftsmen, Handberg's handbook went viral – long before social media – sending their iconic designs around the world. Elsewhere, our special exhibitions shine new light on the brilliance of

Shaker ideas and the art they inspired. ***Handled with Care***, a collaboration with the New Britain Museum of American Art, surfaces hidden gems in our own collection, while ***Stillness and Light*** – an exhibition of black-and-white photographs by John Mancia – reveals the breathtaking beauty and simple harmony of Shaker architecture that resonate across our beloved historic site. Two of American painter **Barbara Prey's** critically acclaimed watercolors, *Red Cloak Blue Bucket* and *Wood Work*, painted for her Hancock Shaker village exhibition ***Borrowed Light***, extend the exploration of light in the Shaker tradition across the Village. And if you're craving that personalized experience, sign up for **Treasures from the Vault** to join our curator for a rare peek at the Village's exquisite collection of gift drawings, many made by local Shaker sisters.

Best known for their exacting handwork, the Shakers inspire our season of workshops. Hone your hand skills in the forge in the **1-on-1 Blacksmithing Workshop**, learn to make a Shaker whisk broom in the **Swept Away with Brooms Workshop**, weave a basket in the **Shaker Cheese Basket** and **Lattice Basket Workshops**, and join the **Oval Box Workshop** to learn art of the iconic Shaker box.

Come for the art and enjoy the music. Chill out under the stars with our **Back Porch Concerts** (and don't forget your picnic blanket!). On Friday July 8th, North Adams native **CJ Fields** delivers the soulful sound and Nashville twang of his rock and roots collaboration. *Rolling Stone Magazine* featured country artist **Phoebe Hunt** debuts at the Village on Friday July 21st, bringing her irresistible combination of fiddle and vocals to our stage beneath the stars. On August 18th, singer-songwriter and Berkshires local **Tony Lee Thomas** takes the Back Porch to strum his bewitching guitar melodies. And September 1st, troubadour **Jake Klar** returns home to enchant you with soul-feeding storytelling.

And there's more! Be inspired at Hancock with our multi-course **Cider Dinner**, hosted by craft cider maker *Berkshire Cider Project* and learn more about their single-varietal specialty brew made from the heirloom apples of our Shaker orchard. Enjoy a Berkshire sunset with your favorite drink during our **Sunset Celebrations** on June 21st, July 19th, and August 16th. Speaking of drinks, kick off Father's Day weekend with a **Craft Beer Dinner**, highlighting the local *Bright Lights Brewing*. And don't forget to bring a bite of the Village home – purchase a share of our **Vegetable & Herb CSA** and savor the flavors of heirloom varieties, raised sustainably by our team in the best traditions of the Shakers.

From lectures by award-winning authors to behind-the-scenes talks with our curator; we will re-connect you with our Shaker roots and the rich tapestry of this country's history.
